(No, this is a picture, not a mirror!)

The UE Junior Class had its share of fundraising activities during this school year. We started off the school year with the Magazine Subscriptions Sale, which was the biggest profit raising activity that we organized, earning a little less than $2,000. About a month later, our class rings came in, and everyone was excited about getting them. In October the Junior Class Officers sold Dine-a-Mates as an extra money raiser. During November and December we had 3 pizza sales and 2 bake sales. A St. Patrick's Day Dance was held on March 19. In the spring we held a car wash, a few more pizza sales and one more big bake sale. We hope to have the plans for the prom and banquet completed by the end of this year. The future is optimistic because of the many ambitious juniors who are willing to work to make this a better class.

President Maria Marzocca, Vice-President Beaver Shirley, Treasurer Lori Fisher, Secretary Marsha Zur.

The Senior Class has had many fund raising activities this year, including a car wash, pizza sales, and a Christmas bake sale. Most of the major fund-raising was completed during the junior year, although dues were collected regularly this year. The seniors ordered graduation announcements, voted on class notables and worked on the arrangements for the Senior Banquet and of course, the Prom. Mrs. Miltz, the senior advisor, spent many hours guiding and helping the seniors.

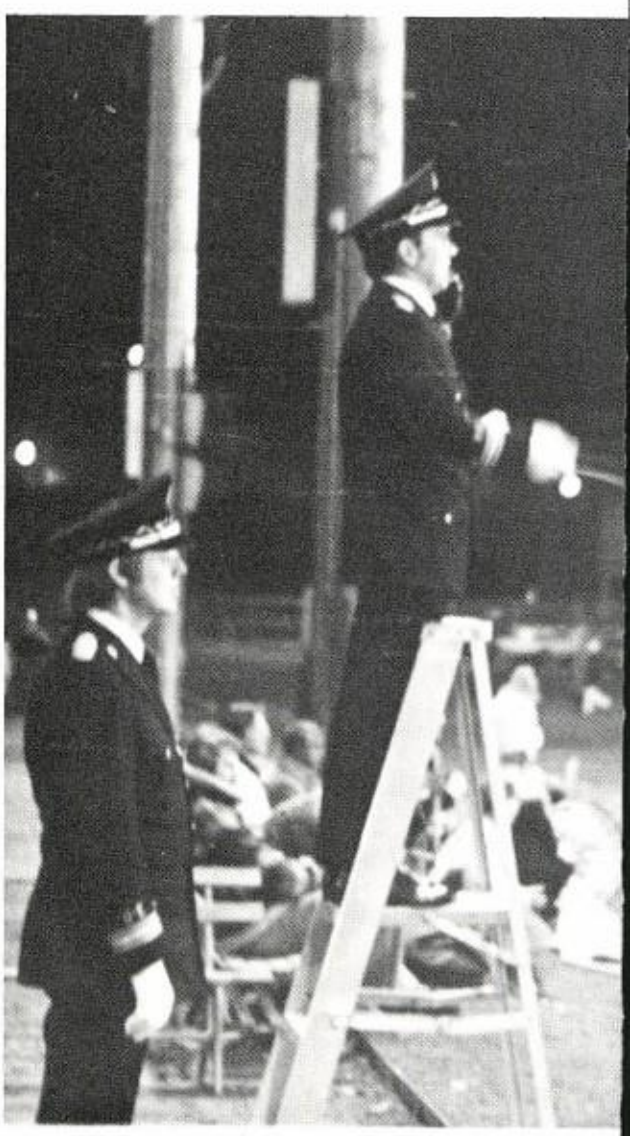
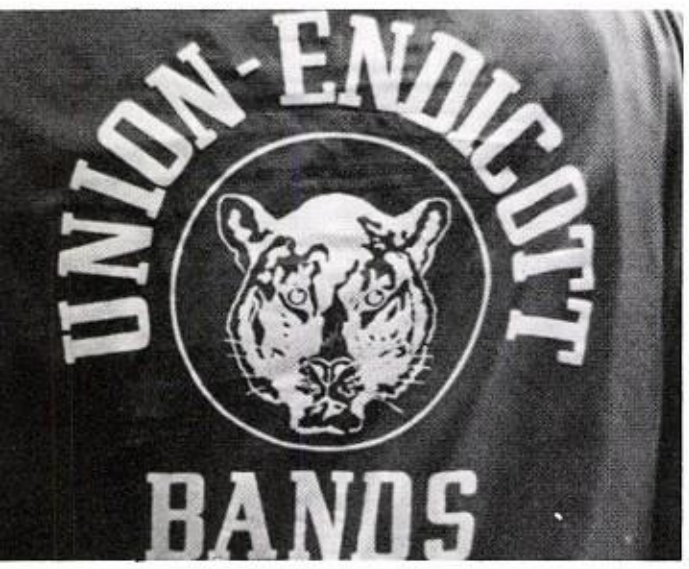
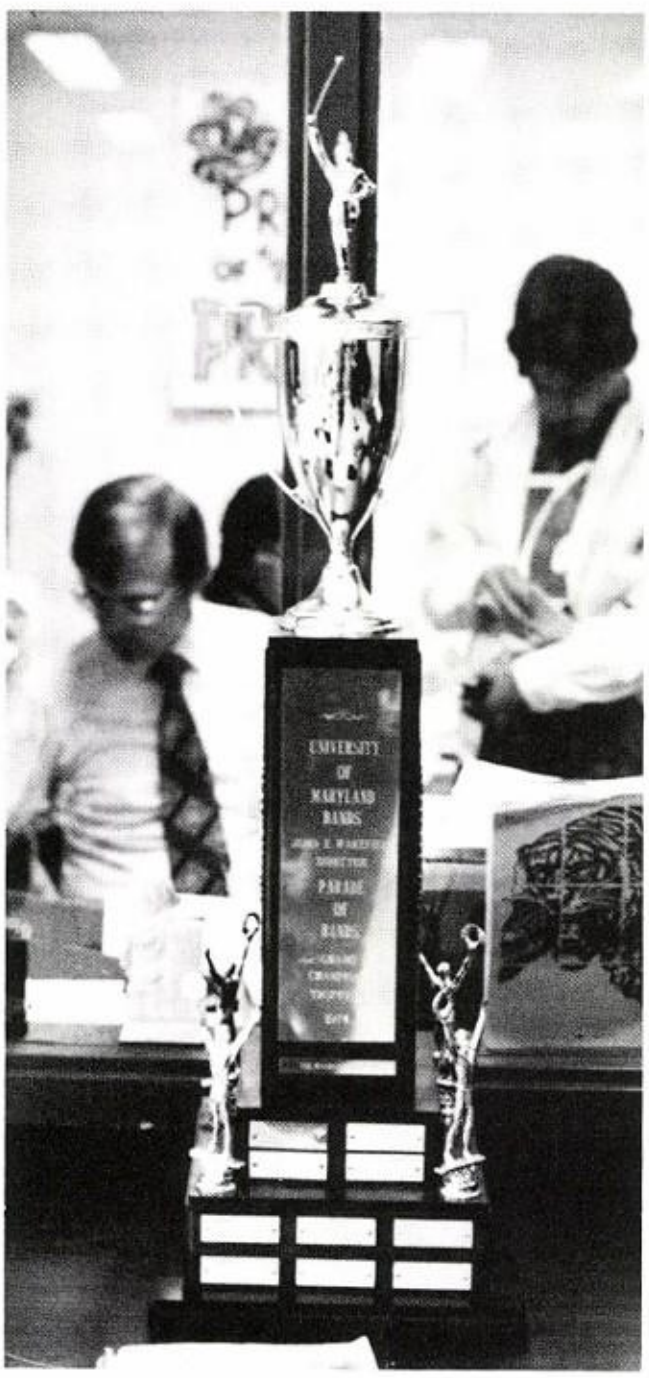
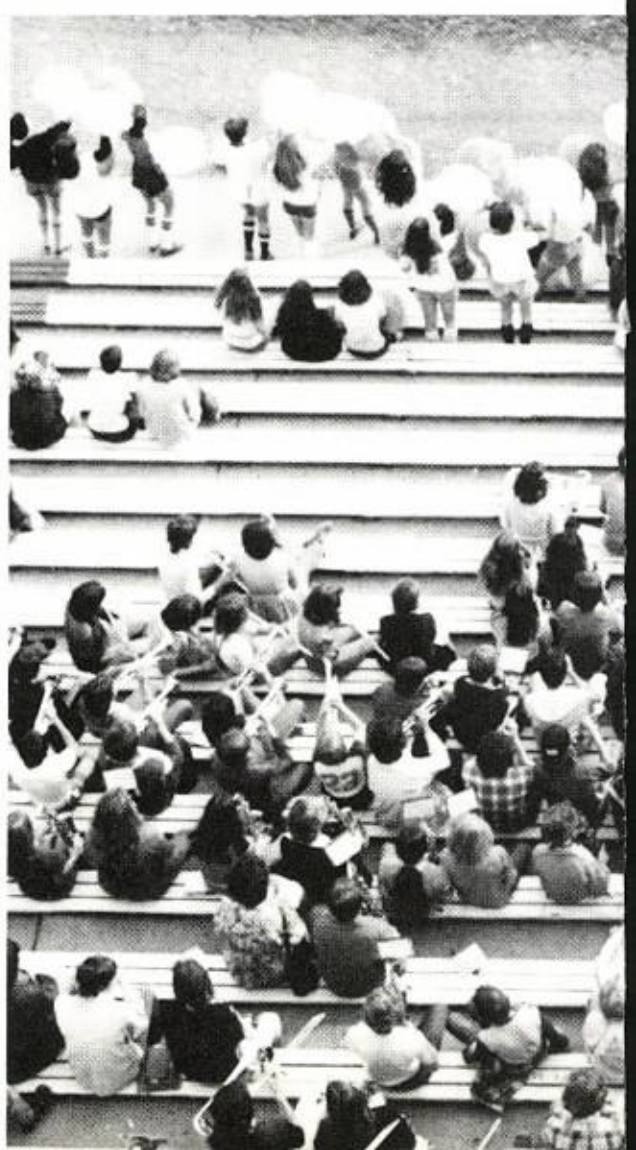
Marching Showband Proclaimed 'Grand Champions'



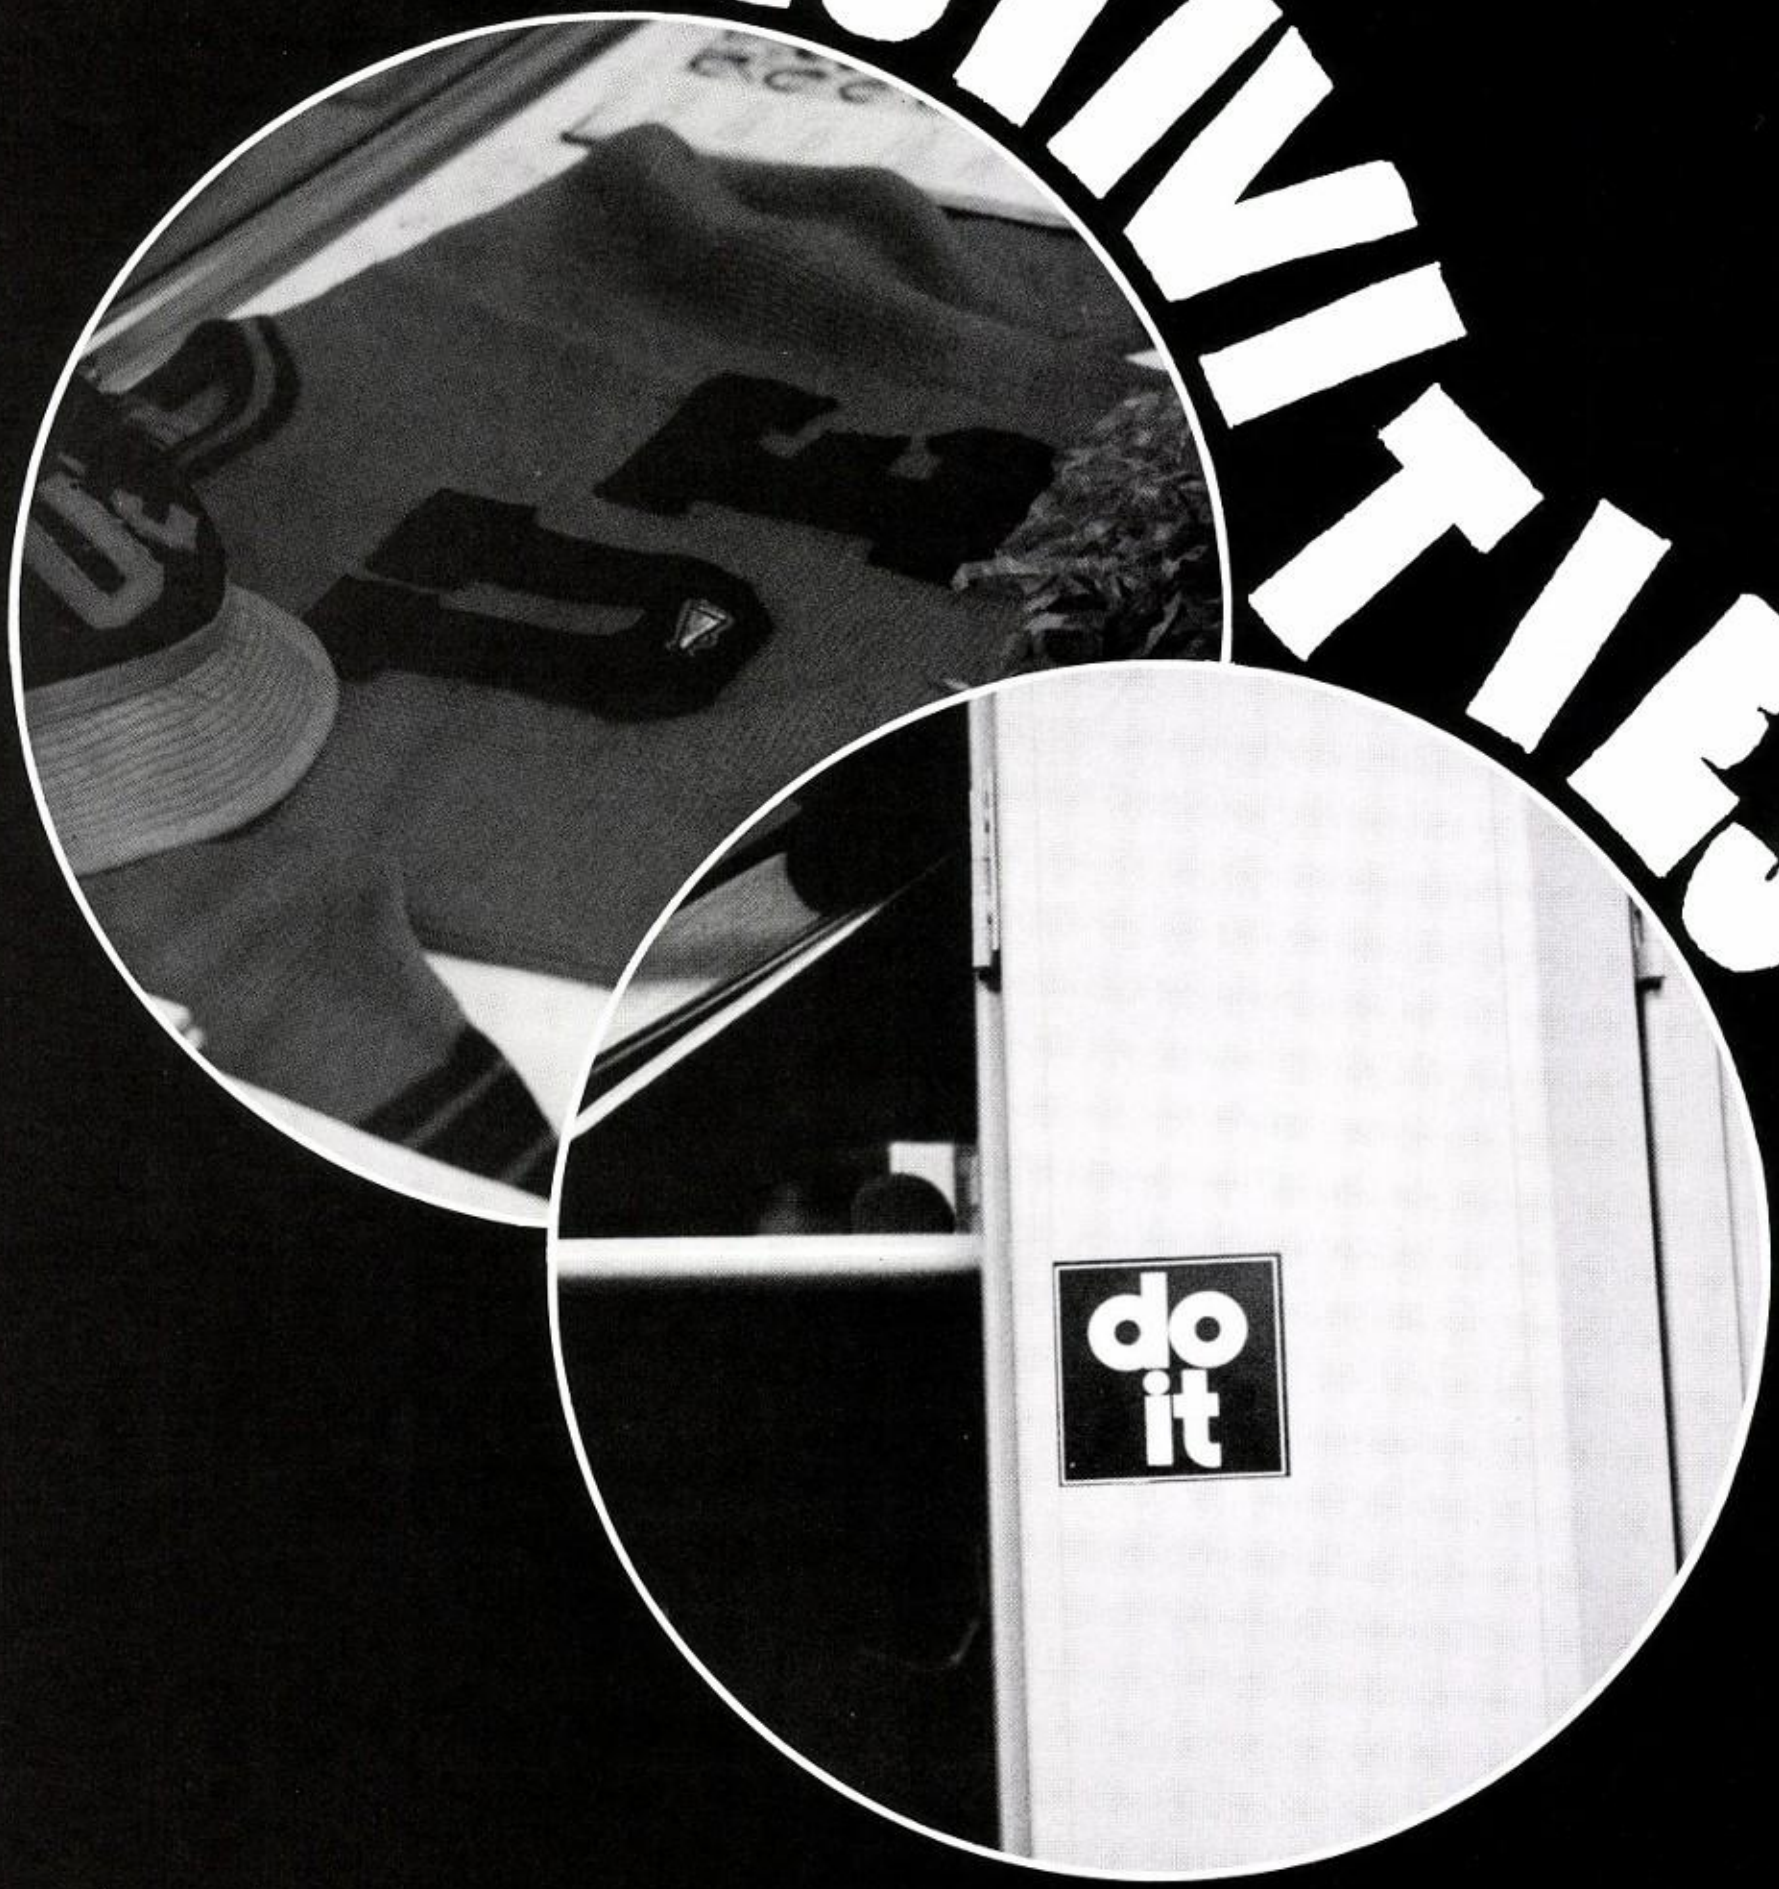






TOP LEFT: Another day of practice as the shadows on the field grow longer and longer. TOP RIGHT: Mr. Slechta and Mr. Scagnoli direct the showband's performance from the sidelines. CENTER: The hard-earned prize from the University of Maryland Band Day Competition is on display in the band room. FAR RIGHT: The band gathers in the stadium to rouse some spirit before the Vestal game.

ACTIVITIES



Band activities for the 1975 school year had a rousing beginning in August with a successful week at a new band camp at the top of the Poconos. The largest marching band in UE High School history enjoyed the new surroundings of Sno-Hill Camp at Lake Como, Pennsylvania. The Showband sported their spectacular new uniforms and stadium capes for the first time at the BC Open Festival. The second appearance of the band was at the pre-season Hobart College-Cortland State football game, also held in Ty Cobb Stadium.

In addition to the marching band's performance at both home and away football games, "The Pride" traveled all night by chartered bus to win a tight race with the clock at the University of Maryland Band Day Competition in early October. The band was greeted by several hundred proud parents on their return from Maryland and performed their winning show the following week to an overflow Bandorama audience. The football season ended with the usual exciting rivalry of the "Big game" and performance at Vestal. In the same weekend, band members traveled to Buffalo for their fifth consecutive NFL appearance. The band performed its famous circle drill to 80,000 enthusiastic fans. The Veteran's Day Parade and the Endicott Christmas Parade brought the marching season to a fitting climax.

Bob,

I've really enjoyed having you in band the last three years. Your lighthearted bidding was always a refreshing change for our busy office. You have left your mark in band and will be missed. Thank you for all your efforts as a part of our band organization. Good luck and best wishes on your future endeavors.

Sincerely,

Joe Seagrave

This club is the second largest club in the school. Diane Boyd was the President, and was assisted by Mary Grace Schofield, Vice-president, Secretary Kathy Moran, Treasurer Brenda Testani, and Co-Treasurer Howard Sallerson. Varsity Club Has A Hard-Working Year

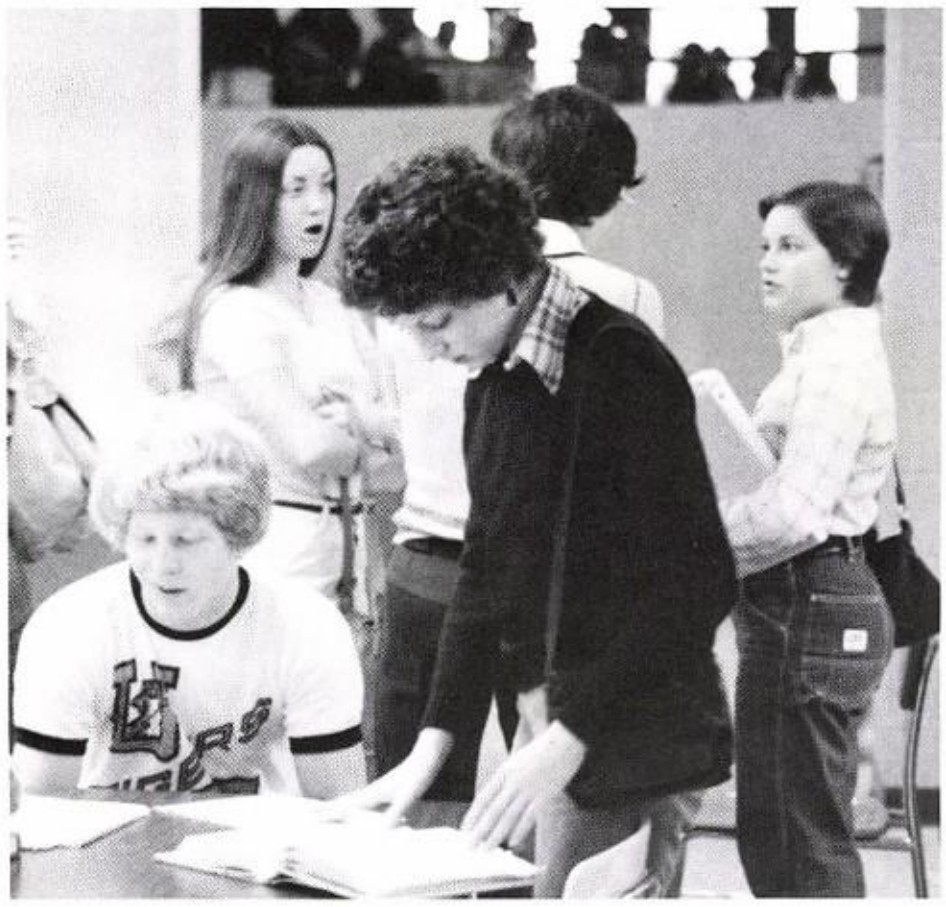
Varsity Club members get ready for a meeting.



The Varsity Club, now in its second year of "integration", has had a very hardworking year. Besides sponsoring the annual Fall, Winter and Spring Sports Banquets, the members also worked at the concession stands for all athletic events, including the Girl's Volleyball Sectionals, which was held at UE this year. The points earned by working are used to earn a Varsity Club jacket, which is a new style this year. The club is primarily a service organization, working for the benefit of UE Athletics.

The Reed: U-E's Literary Magazine

"The Reed" was a little known literary magazine up until this year's editors Donna Nimec, Bob DeDio, and Pete Gaffney decided to make it a biannual production. Consisting of a collection of short stories, poems, and artwork donated by various students in the school, the Reed has been growing and becoming more of a success with every issue printed. Hopefully, the Reed will continue to expand and provide a literary outlet for all of the students at UE.

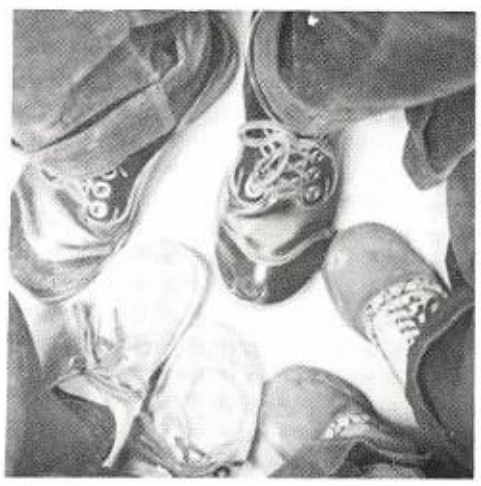
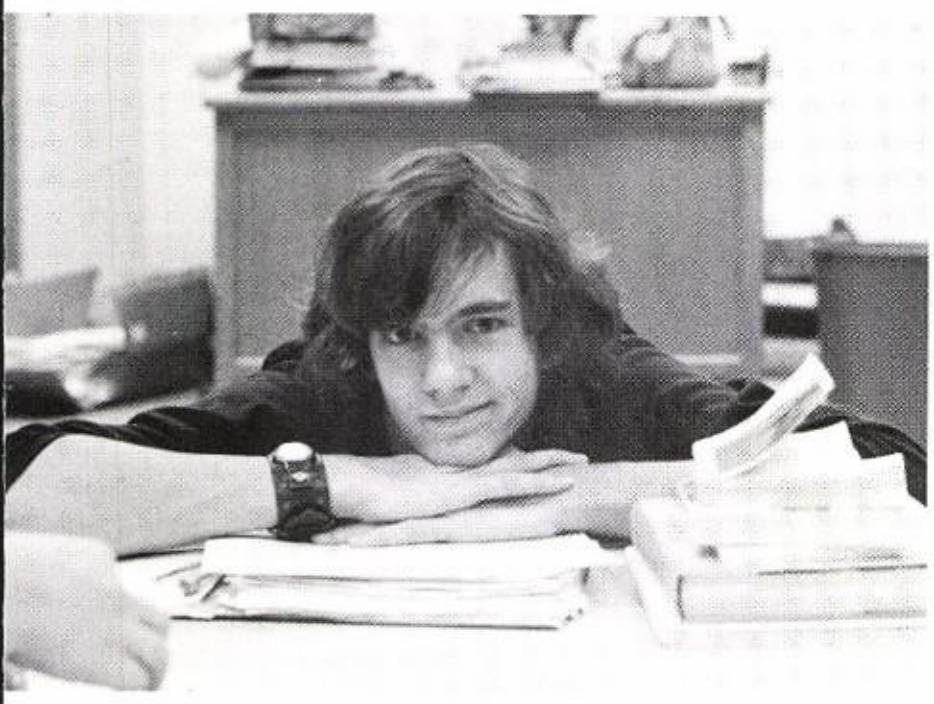
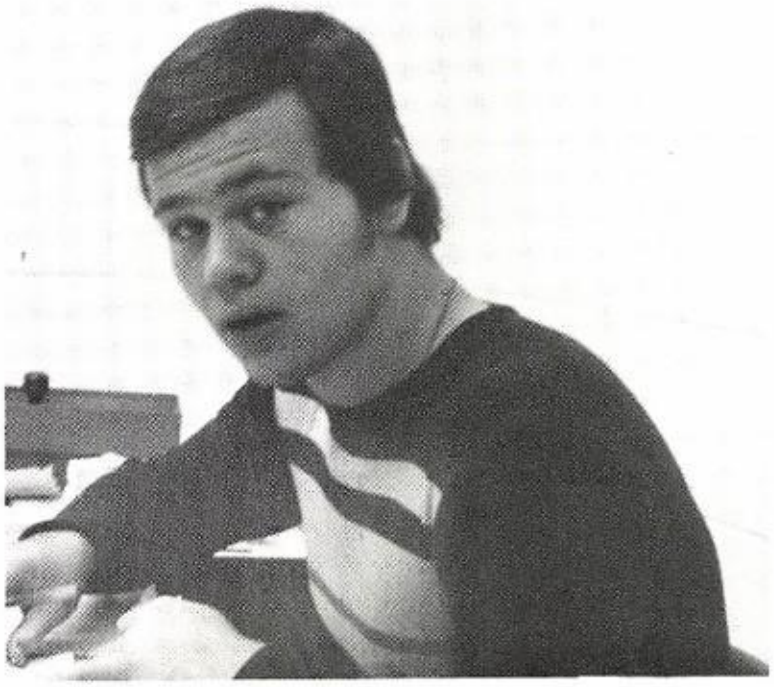
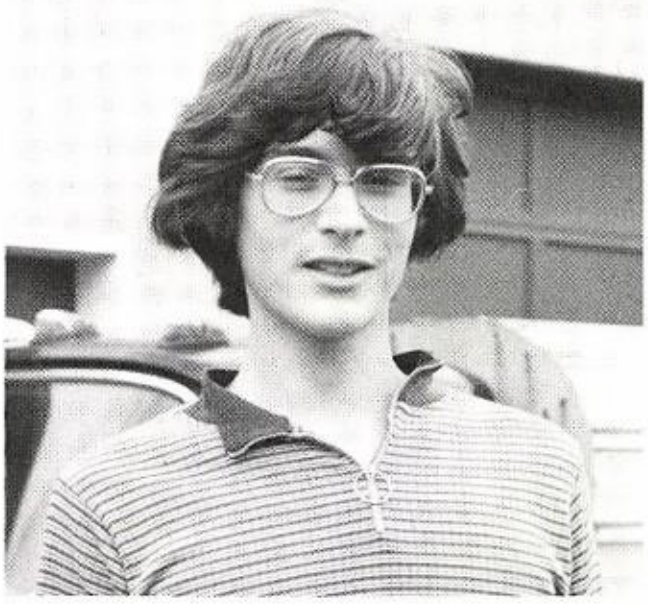
XXXO



The first accomplishment of this staff this year was obtaining a room of our very own. A quick glance into this room "after hours" would reveal a close group of friends drinking tea, eating donuts and listening to the radio. If you inspect it further, however, you will discover that behind the laughter, this unusual assembly really is producing a yearbook. The work and time put into this yearbook began last summer, with meetings in the hall, bicycles, and of course, donuts. Somehow during the year, between keeping curious onlookers away, transacting business, and showing off our Bicentennial walls, out of that pile of garbage in the middle of the floor otherwise known as a table, a yearbook appeared. I guess we'll just have to "blame it on the box."
BELOW LEFT: Barry Davison: "You've GOT to be kidding!" BELOW RIGHT: Ralph Signorelli: "Don't even tell me." BOTTOM LEFT: Tea and crumpets in the room, or, Yuk, what IS this? BOTTOM RIGHT: Bob "Scoop" DeDio, Photographer-in-Chief, ever-ready to take a picture.







Bob -
Is a great kid who is a super weightlifter. Keep at it! Hope to see you this summer at the "Club" or maybe the "Machine". Have a great summer & keep in touch!
Ralph

The fall of 1975 was a successful season for U-E's Cross Country team. We were 5 and 2 in dual meets in our conference. One of the losses was a one-pointer to Cortland. The J-V team lost only one dual meet and finished tied for first in the west division of STAC. The team's performance in the large invitations was generally good; we placed very well in most every meet. We placed fourth at the Chenango Valley Run in a strong field of 30 schools; second in the U-E sponsored Conwicke Run out of 24 schools, and our J-V team finished second. The highlight for the season was the Greenman Invitational in which our varsity was first out of 17 schools and the J-V second. In our final meet, the Section 4 championship, we placed third. U-E's top two runners, Joe Toth and Steve Miller, qualified for the State Meet.

STANDING: Trainer Ed Folli, Managers: Gary Scalzo, Bob Morey, Mike Richardson, Dave Butterworth, Statistician Dave Decker.

It was obvious from the start that our Long Suit would be defense and that our team would be the least experienced offense and smallest in U-E History, since the PROUD TIGER Defense had nine solid starters (Including third year starters "Moose" Longo, "Kazzie," and Kocur) and the Offense had only a lone returning starter, Beaver Shirley. Under the leadership of the Head Tiger, Frqn Angeline, his Staff, and Captain Mike Longo, another AWESOME MACHINE was in the makings as our defending champs rolled through the first four games. Then perhaps due to many adversities such as: the shattering injury of the HEART of the team, Captain Longo; continued flooding; breakdown of the hot water system in the locker room; and the crippling school crisis, DISASTER struck. A fine Binghamton team came to town and played a superb game. After one of the MOST CONTROVERSIAL calls on League History, the PROUD TIGERS were denied a field goal. However, after this game the Tigers ANNIHALATED Erie East, Pa., then went on to defeat CV before meeting the best team in Vestal's history (and ranked number one In New York). These young men carried their HEADS HIGH, and gave it their BEST SHOT. In 17 games, over a two year period, these men rolled up 534 points, while allowing only 161 points, a feat that will perhaps never be matched. Because of all the diversities, Coach Angeline concluded: "This was the most COURAGEOUS group of Young Men with whom I have ever been associated. We are so VERY PROUD of them!"

The 1975 JV Football team showed great improvement and climaxed the season with an 8-6 victory over the Vestal golden bear cubs. In spite of a 5-3 record, this team will send many promising players to the varsity next year. The team was led by Dave Kinsella, a bruising hard running tailback, and Dave Haines, a two way stud tackle. The season was interrupted by rain, floods, and delays, but the campaign was rewarding because of the boys on the team.

The Union Endicott Soccer Team completed its 1975 season with a 3-13 overall record. The poor showing was due mainly to inexperience on the part of many players and injuries to key players throughout the season. Senior Tom Peckham was voted team MVP and was picked for the STAC all-star team. Hopes for next season look good with many starters returning.

This year the U-E J-V Soccer team started as a young, inexperienced team. Through a series of close contests, age and wisdom developed them into a new team. It was a process of rebuilding and relocating as ninth graders moved up to the high school. It was a process of enthusiasm and determination that shaped the members of this squad. Tim Briggs, the captain, is typical of this new spirit found in soccer. Next year our tenth grade veterans move up to varsity, but will leave behind a nucleus from which next year's season will grow.

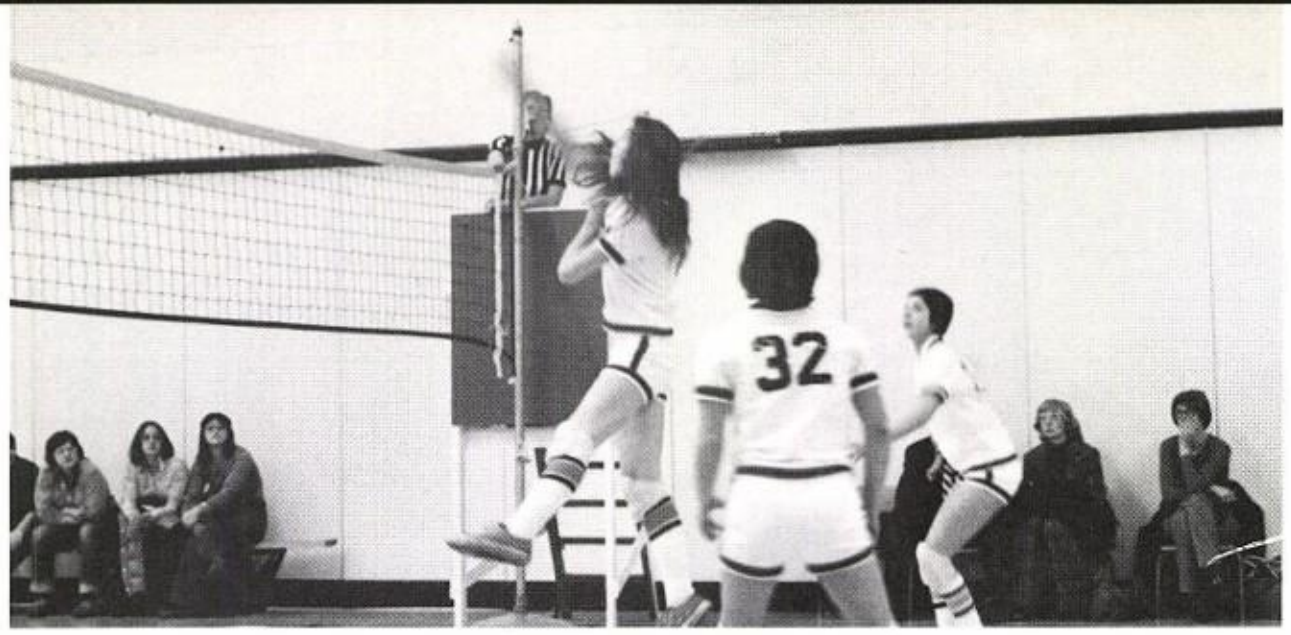
Annette Buiocchi, The Most Valuable Player and most improved swimmer, had an amazing record of 25 first places and one second place in her specialty, the breaststroke. RIGHT: Coach Marshall and Captain Doreen Denmon anxiously await the beginning of the game.



We completed our sixth season of competition in Girl's Varsity Volleyball, with the most rewarding season in our team's history as we completed the year with a 9-4 record. In Sectional play we won one match before losing in the Quarterfinals. When we played ball well, nobody could have beat us, but every now and then we just didn't have that extra little something and went on to lose three very close matches after leading in each one. We will lose 6 players to graduation, but we will have 9 returning players to make it to the #1 spot.

The 1975-76 Tiger basketball team, developing their own identity as an unselfish team, continued the winning tradition at UE by winning the STAC championship game over Binghamton North by a score of 52-50. The Tigers were 18-0 going into the Section IV playoffs. The Tigers' success was the result of dedication, hustle, and determination by all who wore the Orange and Black. Led by two returning veterans, Tom Buiocchi and Mark Hover, and inspired by the exceptional development of John Snyder, Bob Crane and Mark Patrick, the entire Tiger team jelled into a unit which brought outstanding success to a deserving group of fine athletes. Time after time the Tigers helped each other and took up any slack that might have developed. Fifteen players played as one unit and brought pride and success to their team and their school. This is teamwork--and Teamwork was the trademark of the Tigers this year.

Our 1976 team, with co-captains Doreen Denmon and Doreen Hamarich is a rather young team with 9 underclassmen and only 5 seniors. There are only 6 returnees from our last year's team. We had a good start winning both of our pre-season scrimmages (Against North and Central) and our first two games, including a 48-39 victory over STAC champions of last year--Vestal. That game was highlighted by a 35 point (school record) effort by starter Doreen Denmon. Our luck started to dwindle as our team was struck by injuries and the flu and we found ourselves faced with as few as eight healthy players. Our team had a great deal of potential, with fine efforts on the part of our young players as well as our returnees. We look forward to an even better season next year.

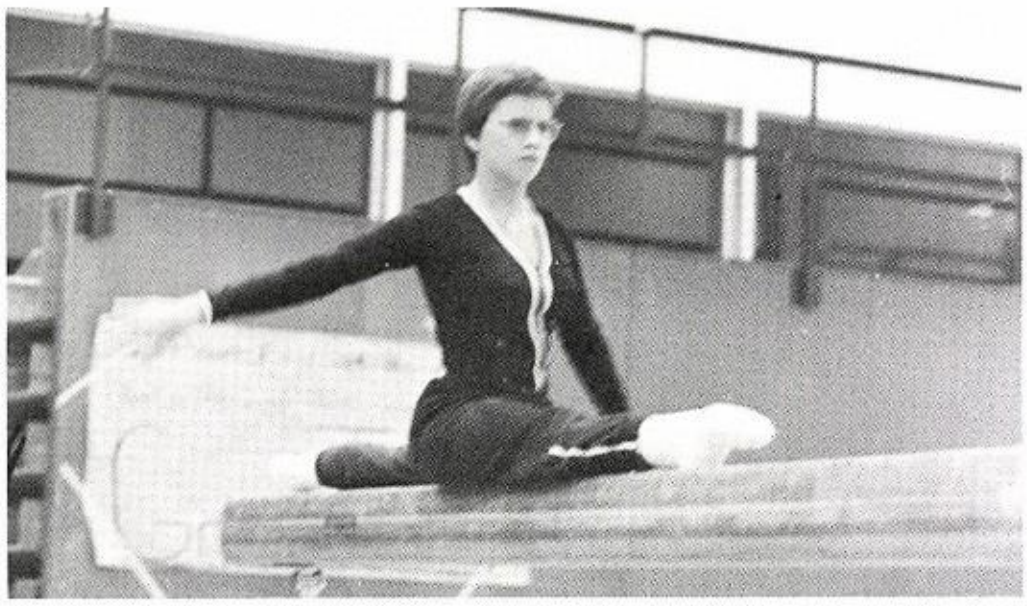
Gymnastics



The Union Endicott Women's Gymnastics Team completed their fourth winning season with a record of 12 wins and 2 losses. They finished in second place in the STAC league. At this writing, they had not participated in Sectional or State competition, but they have many gymnasts who should be sectional winners and state qualifiers. UE graduates three outstanding seniors this year. Captains Camille Kelly and Jane Nielsen and also Lisa Savidge, who have many accomplishments. Jane Nielsen is the first four year letter winner for UE gymnastics. All three seniors have been sectional winners and state qualifiers. They have been on two undefeated teams, had 50 wins, 3 league championships, 1 sectional championship and 2 second place sectional finishes. They have only had 3 losses in their varsity gymnastics careers.

After 66 consecutive dual meets without a loss, UE's winning streak came to an end this year in midseason. With much togetherness and the "pounding of Sarge" the team came alive again to win the STAC championship. The regular season saw excellent contributions from all the boys.

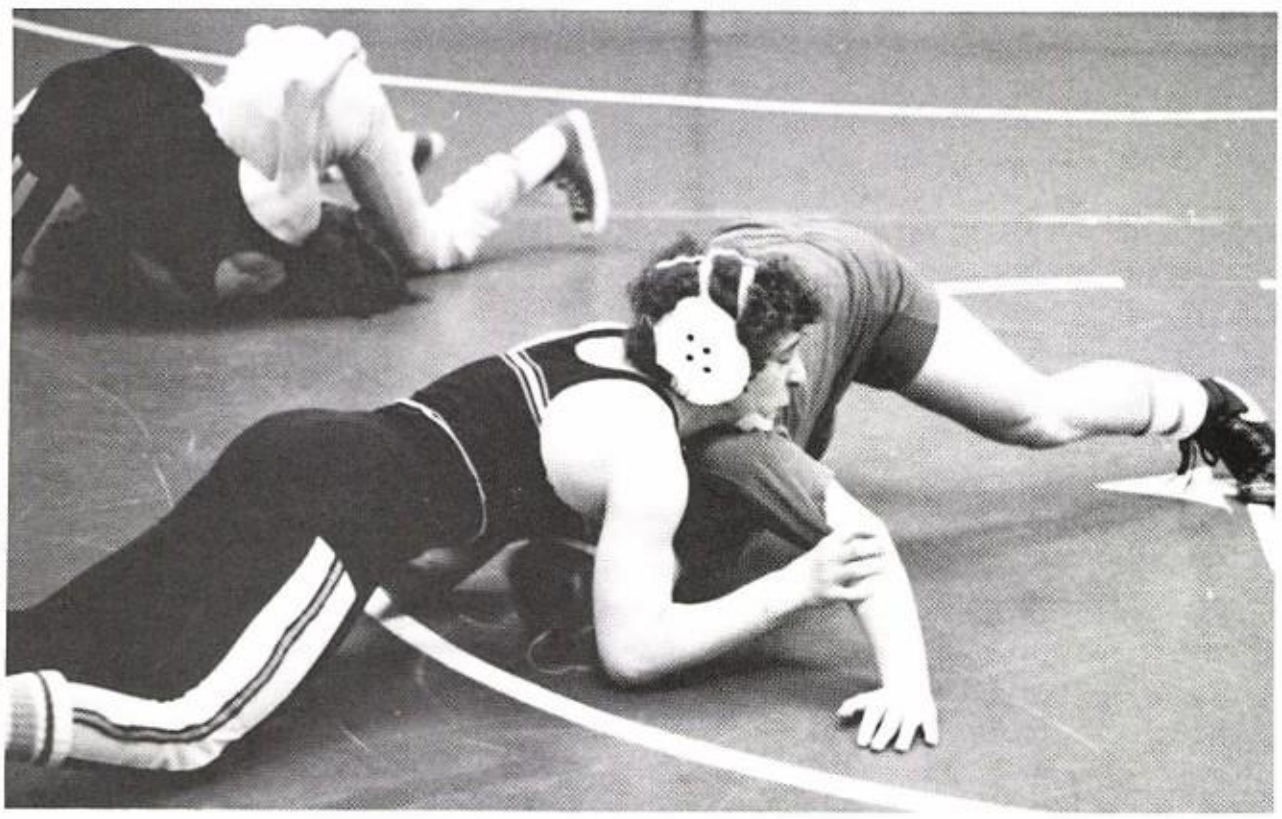
Freshman Wrestling



The Tiger freshman wrestling program was hampered by a lack of similar programs in surrounding schools. Therefore, competition was largely against other schools' older and more experienced JV teams. In dual meets, the Tiger freshman were bested by the JV teams of M-E, Whitney Point and Deposit, but garnered some revenge by upending the Binghamton Central JV's. Against more equal competition, two successful scrimmages were held against the Vestal and Owego freshman. The Tiger freshman finished their season respectably by finishing sixth out of fifteen JV teams in the Bainbridge-Guilford JV Tournament. Four UE freshman placed in the tournament: Tim Briggs (second at 112 lbs.) and Tony Felice, Dean Lord, and Randy Northrup (fourth place at 91, 105, 145 lbs. respectively).

The UE Black team under Coach Stocum finished with a record of 10 wins and 4 losses, while the UE Orange team under Coach Tchir finished with a record of 9 wins and 5 losses. The main objective of the freshman program is the eventual development of varsity basketball players. This goal is many faceted, including the development of individual players, the molding of these individuals into a team, pride in UE basketball, and total dedication to the objectives of the program through discipline and hard work. Because of the success of this program and the high caliber of player involved, UE can look forward to many more years of winning basketball.

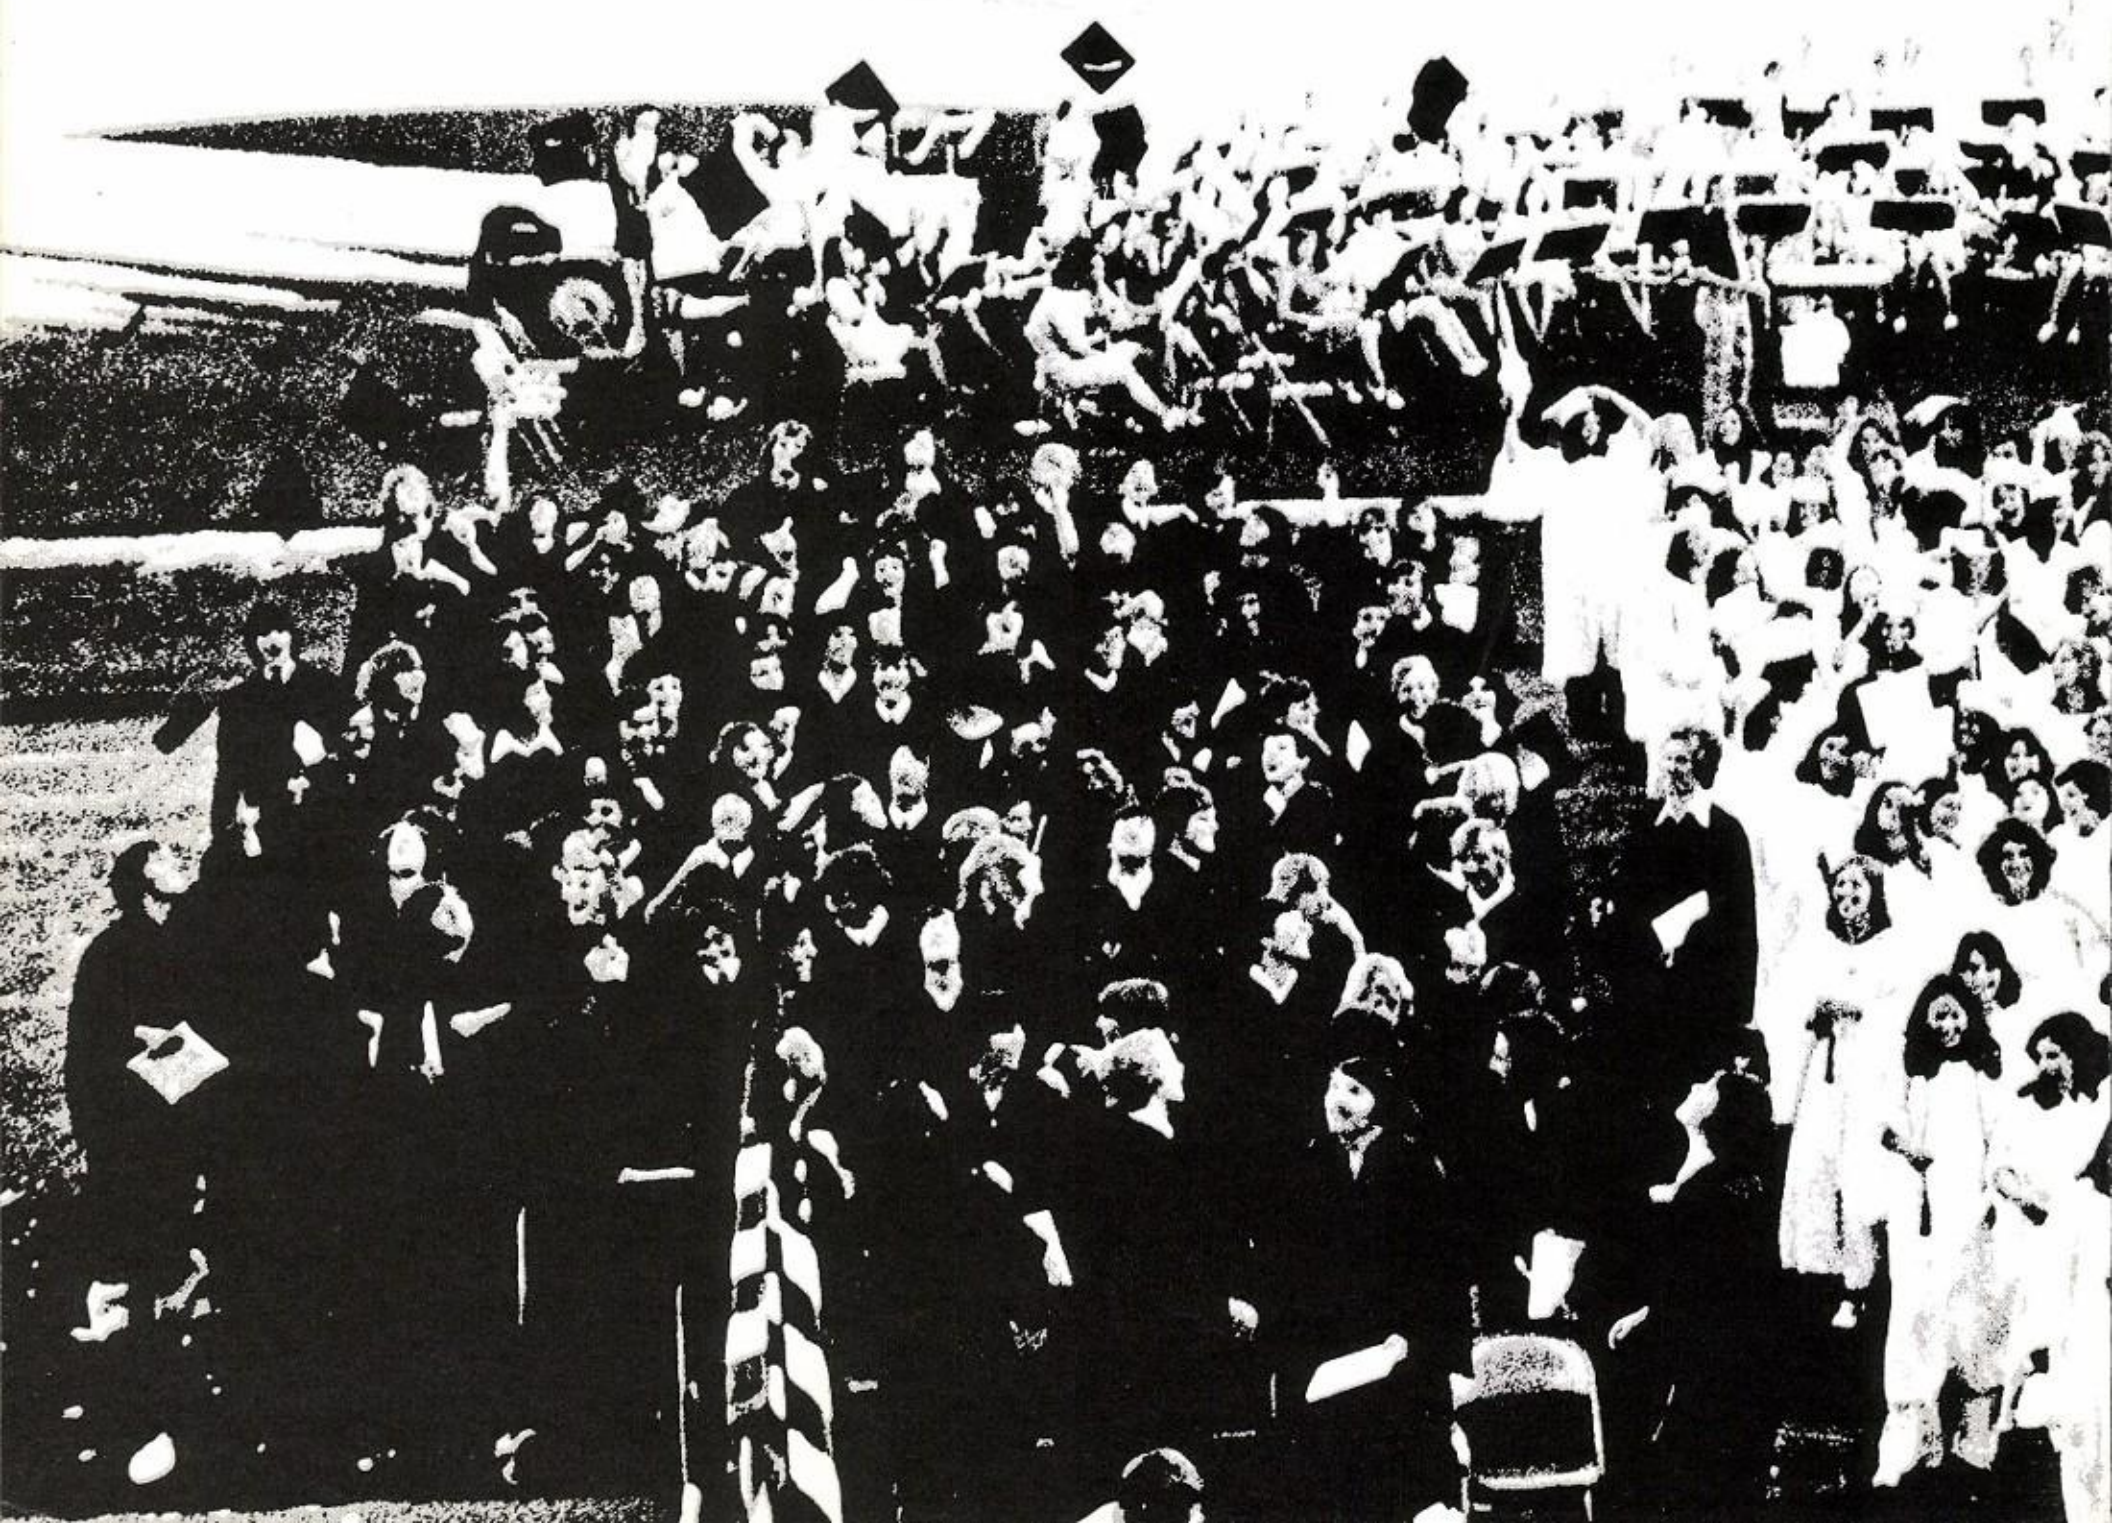
Bob,
My fondest
memories are
of the times we
shared. You are
a very sensitive
person with a terrific
sense of humor! Thanks
for everything and
good luck in all your
future endeavors.
Much love,
Mary Norton



Bob,
I'm glad I got to know you a little better this year. Remember the Prom & all the good times I in 12th grade. Hope to see you this summer. Love, Sandy

Bob,
Too bad you're not going to the Rose Bowl with us, but that's the way things are. Have a nice summer and good luck always.
Dan L.

Bob
What can I really say to you. You've given me so much this year, so many good things that I'll always remember & treasure. Don't forget me too fast. You'll always mean something very special to me so how could I ever forget you. We've shared so many things and I hope those things always gave you as much happiness as they did to me. I wish you luck & happiness in whatever you do and I'll always remember you.
Love always
MaryAnn

Thank-you's go out to Varden's for all their help, the "unofficial" staff without whose help there would be no yearbook this year, the Tigereye staff for their co-operation and the room, and to everyone else in school who was forced to put up with our antics this year.

Bob-
To a real nice guy who I just got started to know. Good luck in everything you do. And I hope I see you during the summer.
Love,
Kathy
(O'NEIL)

Bob,
To one of the best friends a person could have. Always remember the fun times, along with some of the bad times. We must never lose contact. Stay the neat person you are. Good luck always & God Bless
Jerry

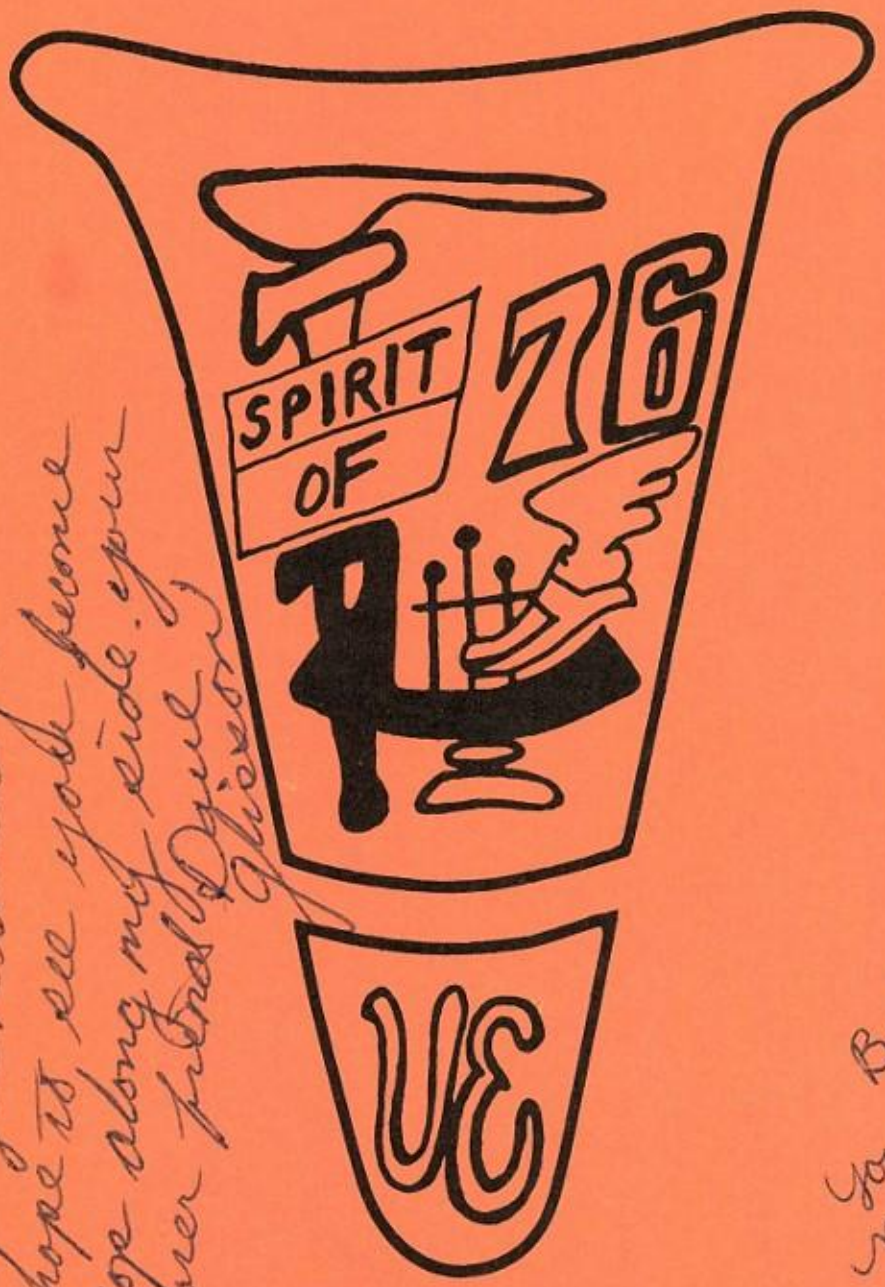
Bob,
To one of the greatest guys I know. I'm so glad that we got to be friends. The world needs more people like you. You're a fun and happy person, and you'll never have any trouble in this world. Thanks for being you. Keep in touch and have a happy life
Love,
Dawn Koeth

Bob,
What can I say? You're a fantastic person who I'll always remember. We've had a lot of good times in band. I'd like for you to meet my most gorgeous guy, unfortunately you didn't win. Remember the Halloween party? Thanks so much for everything and good luck always
Love, (your kitty)
Amy J.

P.S. Hope I see you over the summer. Maybe you could write to me at college?

Shaton,
I was not mean to you at the banquet I knew you liked Diane the whole time. I hope you have a nice summer & don't catch too many more people upon rear end top pier you can come over when ever you want & I'll not be home you could have always
Beth

P.S. - Just call & make sure my brothers not home (Yuck!)



Bob- thank you
for saving my scholastic
